

Dear colleague,

Having successfully organised previous conferences, and having recognised the importance of the synergy between higher education, science and industry, we are cordially inviting you to take part in the 13<sup>th</sup> International Scientific Conference ‘Science and Higher Education in Function of Sustainable Development – SED 2023’, which will be organised by Western Serbia Academy of Applied Studies – Užice Department, at the ‘Slatina’ Hotel in Vrnjačka Banja, Serbia, from 5<sup>th</sup> to 8<sup>th</sup> June 2023.

The 13<sup>th</sup> International Scientific Conference ‘Science and Higher Education in Function of Sustainable Development – SED 2023’ will be devoted to the latest scientific and professional achievements, trends, and inventions in the following

We believe that the 13<sup>th</sup> International Scientific Conference ‘Science and Higher Education in Function of Sustainable Development – SED 2023’ will manage to gather relevant scientists and experts, as well as representatives of business organisations in different industrial sectors, and provide them with an opportunity to exchange experiences and knowledge about the latest achievements, trends, and innovations in the abovementioned research areas.

Signing up and paper submission will take place online at the Conference website [sed.akademijazs.edu.rs](http://sed.akademijazs.edu.rs), following the given guidelines

Should you need further information, please do not hesitate to contact us: +38131512013.

Per paper	EUR 70.00 (in RSD equivalent)
Per paper for authors not attending the conference	EUR 50.00 (in RSD equivalent)
Per attendee	EUR 35.00 (in RSD equivalent)

Papers shall be written in English, and formatted in compliance with the template published on the Conference website.

The submitted papers shall be subject to peer review.

The papers approved by peer reviewers shall be published in the Conference Proceedings.
